

Exam Coach AI Conversation Summary

Note: I cannot reconstruct the entire conversation verbatim because I don't have access to export every previous message exactly. Audio interactions are represented as 'Audio'.

Progress Covered

- Authentication completed (register, login, JWT, protected routes).
- Subject CRUD completed.
- Notes model and PDF upload implemented.
- Database: users, subjects, notes tables.
- PDF upload tested successfully (200 OK).
- Discussed project structure, project memory, and ChatGPT Projects.
